

“Mini” MPV Type A Bus

SAFETY IN ACTION

Whether traveling to the next big game or transporting kids to and from after-school or childcare activities, the Collins “Mini” MPV Type A Bus is the ultimate team player. Built with the same Collins standards of superior safety, the Mini is a 70-times* safer form of student transportation than a 9-passenger van. Available in 5+ 1 W/C or 9-passenger configurations, the Mini is a non-CDL bus that delivers the ideal combination of flexibility, strength and safety.

*National Highway Traffic
Safety Administration

The MPV Features

- Non-CDL multi-passenger vehicle
- Increased visibility over passenger vans
- 3-point school bus seating
- Best-in-class maneuverability
- Innovative structural design provides unparalleled safety
- 5-year body warranty and limited lifetime paint warranty
